

# Supreme Wrapping Film

High performance and easy application in your choice of colours

For a wrapping film that combines performance, versatility and convenience, look no further than Supreme Wrapping Film from Avery Dennison.

These dual-layer films combine colour and clear protective layers, providing a smooth, durable, paint-like finish. The enhanced film technology ensures excellent conformability around curves and recesses and features Easy Apply™ RS adhesive technology, making application fast and easy.

Supreme Wrapping Film is available in rolls up to 1.524m wide, allowing large panels/sections of the vehicle to be covered with just one piece of material (no seams), for faster application and a professional finish. With the added features of repositionability and slideability, plus long term removability, personalising vehicles has never been easier.
